CLUB NEWS

The Key Club is sponsoring Project Care Bears Drive. If you are interested in earning service hours or supporting the cause, please use the interest form. All of your donated items will be going directly to hospital staff to encourage them during this season. The number of service hours given depend on the amount of items donated, and will directly be determined by Key Club President Katie Lien / Advisor Karly Rodriguez. However, you can expect the rough estimate of 1/2 hour for each bundle listed below. The maximum number of hours you can receive for NHS for this project is 2, however we still appreciate any donations beyond the cutoff! Please bring donations to Room 408 during Advisory or with Mrs. Rodriguez (PE area). The Project Care Bears drive ends 10/19/23. Thank you for your support!

COYOTE SPORTS

There is a Coyote Varsity Football game on October 19th at Valencia High School against West Ranch! This is an away game, but it is the Pink Out game so come and support your fellow coyotes while promoting Breast Cancer Awareness Month. Our pink out game is our second to last league football game, so don't miss this opportunity to show Coyote Spirit!
