## **SAT Device Lending – SAT Suite | College Board**

The College Board is committed to helping students take the digital SAT regardless of access to a device. For SAT Weekend, because many students are not testing at the school they attend, we offer the device lending program.

You can take the digital SAT with any personal or school-managed Windows laptop or tablet, personal or school-managed Mac laptop or iPad, or school-managed Chromebook (personal Chromebooks aren't permitted). If you don't have a device, we recommend you borrow one from your school, a family member, or a friend, so you can download the testing application and get familiar with the device. Check our digital testing technical requirements to see if your device will work.

### **Borrowing a College Board Device**

If you don't have access to a device and cannot borrow one from your school or a family member, the College Board may be able to lend you a device for use on test day. Students should first register for their desired test day and location, and then take the steps below to request a device at least 30 days before test day to allow for shipping. Submitting a request does not guarantee that the College Board will provide you with a loaned testing device.

After registering for the digital SAT, the option to select Request a device will appear as part of your registration information on My SAT, which will link to a brief questionnaire that asks for an adult reference (like a teacher, counselor, or advisor). If you don't see the option to request a device, contact us.

If approved, we will make a device available to you at your test center on test day. You will need to arrive 30 minutes early on test day to sign in and complete exam setup. You'll get an admission ticket once this step is complete.

CSF meeting at Lunch on Friday, March 15. Please plan on attending to stay up to date with everything happening! We have an awesome upcoming service project, which will be announced and explained at our meeting. Also, we will go over senior information. Don't miss out on these AMAZING opportunities!

# CSF Lunch Meeting!!

Friday, March 15 in the ASB Room at Lunch

See you there! We have important announcements about our upcoming service project (which will take place at lunch on March 26) and super important announcements for Seniors.

The poster features a central circular frame made of thick, gnarled tree branches. Inside the frame, a soft, glowing light emanates from a central point, creating a magical atmosphere. The background within the frame is a mix of green and blue, suggesting a forest at dusk or dawn. The title 'Enchanted Evening' is written in a large, elegant, cursive font in a light yellow color. Below the title, the school name and event details are written in a smaller, bold, serif font. The ticket information is at the bottom in a simple, sans-serif font.
