Hey Seniors!

If you have already submitted your Fall 2026 COC college application, please check your email for your acceptance. Then be sure to complete the additional 6 steps to complete the process. Check out the New Student Checklist at <https://www.canyons.edu/student-services/enrollmentservices/newstudent.php>

If you submitted your Fall 2026 COC college application but did not receive an acceptance or you received an email that said your application went to SPAM, you must contact COC. Follow the directions in the email.

Please stop by the Counseling Office if you have questions.

### **APYLP 2026 High School Conference**

The annual Asian Pacific Youth Leadership Project (APYLP) conference provides a select group of 60 Asian and Pacific Islander seniors and juniors from public, private and charter high schools throughout California with a unique opportunity to gain first-hand knowledge of the legislative process, community leadership, and political activism. During the four-day, three-night conference, students will participate in a Mock Legislature at the State Capitol that includes the election of peer legislative leaders, lively debate of current issues through the introduction of legislation, and the lobbying of bills during committee hearings and the Senate floor session. Additionally, small group workshops facilitated by Asian Pacific legislative staff, community activists, and business leaders will assist students in developing their leadership and public speaking skills, enhance their cultural awareness and identity, and explore the richness and diversity of Asian and Pacific Islander communities in California.

The conference is open to junior and senior students that reside in and attend a California high school.

The APYLP conference day will be on Thursday, March 26, 2026 to Sunday, March 29, 2026, in Sacramento, CA. All conference costs are covered for accepted applicants.

The deadline to apply is December 15, 2025.

Visit the APYLA website for more information: <https://www.apylp.net/>
